Ingredients

250 g ricotta
1 handful of basil
1/2 package ORO di Parma
Sugo Vegetable Tomato
Sauce
200 g grated mozzarella
50 g salami
Salt and pepper
Ciabatta
Olive oil

Step 1: The Preparation

Preheat the oven to 200 degrees and slice the ciabatta. Cut the basil into strips and mix it with the ricotta, salt, and pepper until creamy. Spread the mixture into a small baking dish and top with the vegetable soffritto sauce.

Step 2: Serving

Sprinkle the mozzarella generously over the sauce and top with the salami. Bake the prepared dish in the oven for about 20–25 minutes, until the mozzarella is melted and golden brown.

Step 3: The Finale

Drizzle the ciabatta with olive oil and bake it in the oven for the last 5–8 minutes, until it's crispy. Serve the finished pizza dip with the crispy ciabatta slices and enjoy!
